

PREDICT

Why do we need rules? What happens when a community has no rules?

You're about to examine a series of documents. Make a prediction: what do these documents share in common with each other?

EXAMINE

What document did your group receive? _____

In what year was it written? _____

Who was the intended audience? Who was its audience? _____

Look at the red text . Use your own words to describe the ideas or concepts in this text.

MAKE CONNECTIONS

What connections do you see between the documents you investigated? List three.

What ideas from the six documents you investigated do you like the most? Or the least?
