

FOUNDING FRENEMIES

Hamilton and The Virginians

Founding Frenemies: Hamilton and the Virginians is a touring exhibition organized by the Virginia Museum of History & Culture.

**VIRGINIA MUSEUM OF
HISTORY & CULTURE**

Lin-Manuel Miranda's award-winning Broadway production *HAMILTON* propelled our nation's first Secretary of the Treasury into a legendary status not held since his untimely death in 1804.

Miranda's narrative—based on the work of Pulitzer Prize-winning historian Ron Chernow—tells the story of a man who overcame all odds to shape, inspire, and scandalize the newborn America.

From Hamilton's decades of military and political service with **George Washington** to his feuds with **Thomas Jefferson** and **James Madison**, Virginians were among his most influential allies and his worst enemies.

Hamilton's relationships with these Virginians helped shape the character of the United States, its founding institutions, and patterns of civil discourse still felt today.

Key Facts

RENTAL FEE

\$250

VA VENUES

\$500

OUT OF STATE VENUES

(PLUS Shipping)

SPACE REQUIREMENTS

Approximately

850

SQUARE FEET

FORMAT

One (1)

sloped fabric wall

Four (4)

tension wrapped
fabric towers

(includes internal metal frames)
